Dear Professor Gomes de Matos,

I would like with this letter to express my warm thanks for the reception you made for me in Campinas and Sao Paulo and congratulate you on the excellent organization of the V Interamerican Linguistic Institute.

This is only the first step in the reinforcement of our collaboration and I have no doubt we will be able to pursue our close cooperation for the benefit of Unesco and all the Centers of your region.

With many thanks again and looking forward to hearing from you soon, I remain,

Yours sincerely,
